

Town Manager Michael J. Driscoll is seeking Watertown citizens interested in serving on the Stormwater Advisory Committee. Interested applicants should submit a letter of interest accompanied by a resume or other information concerning background or experience by email to townmgr@watertown-ma.gov or Town Manager's Office, 149 Main Street, Watertown, Massachusetts 02472.

Board/Commission/Committee: Stormwater Advisory Committee

Vacancy/Term: Seven Members (four of whom shall be citizens at large; three appointed by the Town Manager and confirmed by the Town Council and one appointed by the Town Council President) Two of the four citizen members shall have professional experience related to stormwater management, Two Year Term.

Description: The Stormwater Advisory Committee acts as an advisory body to the Superintendent of Public Works. The Committee will review and make recommendations on a new stormwater ordinance and related regulations being developed by the Town; identify and advocate for stormwater funding through grants and other sources; develop educational programs to increase public awareness of stormwater management; and perform any other tasks relevant to assisting the Superintendent of Public Works with the implementation of best practices for stormwater management. The Committee shall also make an annual progress report to the Town Council.
